# Scan Hard Copy to USB Drive, CD, or SD

Are hard copies taking up space in your office?

Do you have a CD, SD or USB drive that you want duplicated?

Would you like to make it easier to access your originals on the computer?

We can scan your hard copy originals and create electronic files, making it easier for you to store, edit and/or transport files.

We can customize your CD or DVD with high quality color imprinted directly to the disc.
